WESTERN UNIVERSITY STUDENT HEALTH PLAN

Western University Students who have NOT opted out of the Student Health Plan have access to \$500 to see a Registered Psychologist in the community.

Here's how it works:

- You do not need a physician's referral to see a psychologist under your plan. You can refer yourself directly and we will happily set-up an initial appointment for you.
- You will need to pay for your psychotherapy session at the end of your session. We will give you a receipt.
- Your Health Plan will reimburse you 100% of the cost of your session. You are allowed to submit a maximum of \$500 in treatment costs.

More detailed information about your plan can be found at:
